

Competitive Retailers Qualified To Serve Consumers Located in the Nueces Electric Co-op (NEC) Electric Distribution Service Area*

Updated 11/11/09

PLEASE NOTE: NEC opened its service area to competitive retail electric providers (CRs) in June 2006. At this time, the competitive retailers (CRs) listed below have completed the process to qualify to serve NEC area consumers and you may choose one of them for your power supplier. This provider list is subject to change. Please monitor the *Texas Co-op Power* magazine (sent monthly to all NEC members) and/or our website at www.nueceselectric.org for updated CR provider lists. These can also be obtained at our offices at 709 E. Main Street in Robstown, TX and at 123 County Road 1026 in Ricardo, TX.
