

2011 Grants

Since 1997, Nueces Charities has proudly provided monetary support to dozens of organizations in our service areas who have provided the necessary documentation and focus area to be eligible for a Nueces Charity grant. These grants are made possible by the very generous donations of our members through Operation Round-up. As you view the awards be sure to click on the organization to learn more about their efforts to assist our communities.

Below is a list of the 2011 grants that total over \$118,000!
